Year-End Greetings from Forest Li, Wensten Accounting Inc

December 12, 2010

My dear friends:

Time flies and 2011 is fast approaching! At this moment of happy holiday season, I would like to say THANK YOU to you, our valued customer! We wish you and your family a Happy Holiday Season and a Prosperous 2011!

2010 was an exciting year for my family: Wendy had a four-week trip back to China. She jointed family group in Shanghai, then headed to Changsha, Guangzhou and Kunming, and ended up in Lincang, Yunnan Province, which is in the south of China. Her 83-year young mom traveled with her in the whole trip. They visited the World Expo in Shanghai and the natural wonder of Zhangjiajie in Hunan, where the 3D movie Avatar was said to be taken. Except a little bit sad story of being missed a flight from Kunming to Shanghai, She had a very good time there.

Wensten Accounting continued to meet new clients from all walks of the community, including new immigrants, international students, solo-proprietors and corporations. The interacts with the New Canadians Centre, the Networking of International Students in Trent, and Ontario Small-Sized Enterprises provided us with plenty opportunities to get involved in the communities around.
